INTRODUCTION

AGES INDUSTRIAL SOLUTIONS Recycling Pvt, Ltd. is a company that was set up in the year 2021 for purchasing recycled goods from our community.

With **AGES INDUSTRIAL SOLUTIONS** all the activities and actions required to manage waste from its inception to its final disposal are managed with a clear target maximize the recycling rate. This includes the collection, transport, treatment and disposal of waste, together with monitoring and regulation of the waste management process.

COMPANY PROFILE

AGES INDUSTRIAL SOLUTIONS is on the road to becoming a leading full-service broadly diversified recycler that is principally operating in Harare, Zimbabwe

The products that we purchase are mostly brought in by members of the community such as peddlers.

We maintain healthy relationships with our suppliers by ensuring that they are served with the best purchasing rates available.

Mission Statement

Ages Industrial Solutions intends to be the recognized leader for innovating and uplifting our community by giving purpose to your trash. In addition, the company strives to be viewed as the best in the eyes of our business constituents, employees, shareholders and the community at large.

Company Goals

Ages Industrial Solutions aims to become the prominent, vertically integrated, regionally focused recycler and community supporter. We work in partnership with our suppliers and consumers to be the recognized leaders in all the markets where we operate.

Growth Strategy

Ages Industrial Solutions' strategy is to grow by acquisition, and more recently through emphasis on originally developed internal initiatives.

Ages Industrial Solutions executes this strategy by carefully identifying business platforms that we pursue to leverage marketing penetration and gaining competitive advantage. We then look to exploit synergies in transportation, cross-selling among operations and working to realize operating efficiencies.

We seek internal growth and expansion opportunities in continuous geographic markets in order to maximise market share and profitability.

Ages Industrial Solutions seeks to have a domain position in the recycling market in which it operates, and to be the standard bearer for customer service, quality assurance and value addition to the waste we collect.

FUNDAMENTALS

STRATEGY & VISION

- **AGES INDUSTRIAL SOLUTIONS** strives to offer excellent service and building long term relationships with all our suppliers, ensuring that they always get top pricing for all recycled materials.
- **AGES INDUSTRIAL SOLUTIONS** strongly believes in good communication and services provided by ourselves as long as long-term relationship with our clients.

VALUES

- **AGES INDUSTRIAL SOLUTIONS**, like all legitimate recycling companies, upholds the correct way of handling our suppliers by ourselves to ensure the best future for all.
- We're very concious of environmental affairs, thus we strictly abide to the environmental laws provided.

BUSINESS GOALS

- Our business goals are to uphold quality service to our clients
To source top prices for our clients
- To have open business relationship with our clients

GROWTH STRATEGY

- We have a dedicated team working for us, enable us to provide quality service ensuring a flow of business therefore allowing us to provide top prices.
- Our team recieves the proper training to satisfy our suppliers needs.
- Teamwork towards growth is essential for our business.

PURCHASING OF PRODUCTS

AGES INDUSTRIAL SOLUTIONS has earned a reputation for professionalism and trust with our suppliers and community. Our suppliers know that Ages Industrial Solutions has quality services and assurance.

This means that our potential suppliers can rely on Ages Industrial Solutions to purchase their products at the best prices, in both up and down markets. Our facility is located at no. 12 Shepperton Road, Graniteside, Harare.

AGES INDUSTRIAL SOLUTIONS & THE ENVIRONMENT

Our main aim is to create an eco-friendly environment by reducing Waste products in the community as we purchase waste materials such as aluminum cans, cut-off as well as multiple other objects.

This benefits our environment and community as it reduces the amount of waste that could potentially pollute our environment, and acts as a source of income for those that are unemployed in our community.

We also stand guided by the rules and regulations provided to us by EMA.

AGES INDUSTRIAL SOLUTIONS opened its doors to the recycling industry in 2021 and has since grown to become a young dynamic force in the market place. Ages Industrial Solutions has opened its doors to the public and hopes to continue forging relationships with the public.

We have a dedicated team of sales representatives working in different areas, servicing and sourcing new business on a daily basis.

AGES INDUSTRIAL SOLUTIONS initially assists local suppliers with our services and have moved on since.

AGES INDUSTRIAL SOLUTIONS has all the necessary equipment to provide customers with quality services.

We provide the following services

1. Purchasing of recycled waste materials
2. We offer high quality services to our suppliers

Business Competitiveness

AGES INDUSTRIAL SOLUTIONS are a medium sized company that is growing steadily and very efficiently.

It has two owners and a dynamic support team of twelve

A workforce of dedicated staff

AGES INDUSTRIAL SOLUTIONS has currently established itself in the market place as a trustworthy company.

Quality polices

AGES INDUSTRIAL SOLUTIONS is a licensed and registered recycle organisation with credited documentation from The Ministry of Metallurgy, EMA and MMCZ

AGES INDUSTRIAL SOLUTIONS does not in any circumstances deal in illegal products or precious metals.

Some of these products mentioned are highly illegal and prosecution by authorities is inevitable unless the correct permits and documentation is provided.
